INTRODUCTION

DOCUMENT WRITTEN AND CONTINUED TO JANUARY 2025 BY ALISON JANE HOW
(Bachelor of Music Education) AND PUBLISHED BY ALISON VIA THE
MUSICAL RISE WEBSITE ON THE 5TH OF FEBRUARY 2025. (Initial November 2022)
<https://www.musicalrise.net>

This document is complimentary to access/download from the Musical Rise Website
but not to be published elsewhere/broadcast/shared etc, thank you. All rights - AJ How.

Thank you for your interest in reading all of, or part of this document file titled
ALISON JANE HOW & CO ORIGINALS MUSIC TIMELINE to 2025 01 31 by & © AJ How

This document's contents have been kept as simple as possible as a collection of
facts about the originals music creation and development of Alison Jane How & Co.
As some notes have been copied from Alison's diaries' notes there are some word
abbreviations listed in the document, most explained.

Some details have been left out in consideration for people's privacy.
There are some spelling errors on file titles from computer records; unchanged here.
There probably is more information to come after this document's publishing;
however, this is a good summary from circa 1983 to 2025.
It was not possible to create this document in chronological order in it's entirety
as topic headers and those involved with the music meant separating some sections.

The originals music in audio, video and digital sheet music formats and more,
has been published and is available to listen to, view and purchase
via the Musical Rise website as digital products at present.

The Memorabilia files on the Musical Rise website may also be of interest to you.
MUSICAL RISE WEBSITE
<https://www.musicalrise.net>

This document includes Originals of Alison Jane How & Co with song titles,
dates of composition, recordings, rehearsals/jam sessions, songwriting sessions info,
workings in general, promo, preparation, gigs/performances, website creations,
publishing and more, including personal notes about the songs.

I have also included information about the co-writers, engineers, producers etc.
I have noted names of people and organizations contacted regarding promotion
of or moving the songs but have not included any customers details.
Thank you if you purchased any of the originals' music products or will do so.

I have supplied this document as text on a clear background.
Therefore, if desired, viewers can edit the colour of the background of the document
(in PDF readers) for reading purposes.

The document is in portrait format. (A4 size pages)
As I, Alison, wrote this document I have referred to myself as 'I', 'myself' and 'Alison'
throughout the document (being my own manager etc).
